

R\_maxabsConditionalPvalue

```
graph LR; A[R_maxabsConditionalPvalue] --> B[C_maxabsConditionalPvalue]; A --> C[nrow];
```

A diagram showing a central node on the left, 'R\_maxabsConditionalPvalue', which is a black rectangle with white text. Two blue arrows originate from the right side of this node. The top arrow points to a white rectangle with a black border containing the text 'C\_maxabsConditionalPvalue'. The bottom arrow points to a white rectangle with a black border containing the text 'nrow'.
