

Effect of a 10-unit increase in PM10 along lags

Overall effect of PM10 over 15 days of lag

Effect of a 10-unit increase in ozone along lags

Overall effect of ozone over 5 days of lag

3D graph of ozone effect

Contour graph of ozone effect

RR

Effect of temperature along lags for a unit increase above the high threshold

Effect of temperature along lags for a unit increase below the low threshold

Overall effect of ozone over 5 days of lag

3D graph of temperature effect

Contour graph of temperature effect

Overall effect of temperature over 30 days of lag
